## Giving advice

1  63 Dan's giving Zoe advice. Listen and choose the correct words.

Dan

Hi Zoe. What are you doing?

What does he want?

No, I don't think you should give him a book.

Because he prefers (2) **football** / **music**.

I think you should get one of these MP3 gift cards.

Look at this one – it's only (3) **£5** / **£10**, and you can download 12 songs.

Zoe

I'm looking for a birthday present for (1) **Steve** / **Dad**.

I'm thinking of buying this rugby book.

Why not?

Hmm, you're right. What should I get then?

Let's see?

Good idea. It's a bargain!
